Dear Parents,

Wow!! What wonderful weather!! We can hear the singing of different birds, see the corn growing in the rows, and feel the warmth of the breezes. Our God is great!!

Bible stories for the week:

| | | |
|-----------|--------------------------|---------------|
| Monday | Ananias and Sapphira | Acts 5:1-11 |
| Tuesday | Stoning of Stephen | Acts 6:8-7:60 |
| Wednesday | Philip and the Ethiopian | Acts 8:26-40 |
| Thursday | Saul's Conversion | Acts 9:1-30 |

Show and Tell—something Dutch

We will have library on Tuesday as usual, but Mrs. Byker would like all books returned on FRIDAY!! Please read the books every night and then remember to put them back into their backpacks on Thursday night.

Wear our Armor of God t-shirts on Friday for chapel.

Our track meet will be on Saturday, May 19 starting at 9:30a.m. The children have been practicing and are eager for the races.

On Tuesday, May 22 our class will take a Field Trip to Sioux Falls. We will go to the Great Plains Zoo and the Butterfly House. We will leave at 8:30a.m. and return at 3:30p.m. We will take our school bus. Also, the children will need to bring a lunch, which should include a drink with a screw-on lid or small juice box that is gone in one time.

Second graders will receive some problem solving math worksheets for homework this week. These kinds of problems usually give us some trouble, so please help or check it over when they are finished.

I'm hoping for a Science test this week or early next week, so if you see a review sheet, it will be two days later. I have to see how this week goes.

Happy May,
Mrs. Goslinga
